4. POOL USE

Diving is not permitted because of the shallow depth of the pool.

Persons (including members and guests) under the age of 13 years must be accompanied by a parent or legal guardian who is a Leacroft Homeowner at all times while in the pool area.

One lane of the pool is reserved for lap swimming only. Persons in the pool in the lap lane not swimming laps will be directed to move to another area.

5. POOL ACCESS

ACCESS FOBS. Each Leacroft Homeowner family whose assessment payments are current will be issued one (1) pool access fob. A replacement or additional fob(s) can be provided for a fee of \$20.00. Access to the pool will only be permitted with an active fob by

Leacroft Homeowner or family member whose common area privileges are intact (not suspended or revoked due to unacceptable pool behavior, delinquencies, fines or liens). If your fob has been deactivated or is not working for any reason, you must contact the management company via their contact information posted at the pool. Lifeguards or other pool company staff have no authority to let anyone into the pool without their fob.

6. GUEST POLICY

Except as specifically set forth below, all guests must always be accompanied by an inviting Leacroft Homeowner member while in the pool area. The pool may not be closed for private parties to the exclusion of pool members.

Each Leacroft Homeowner family member is responsible for the safety, actions and behavior of its respective guests, including and without limitation, the compliance with all Rules and Regulations and responsibility for all property damage. It is the responsibility of each inviting member to carefully review these regulations with their guests.

Children age 15 or under may not bring guests if not accompanied by a parent or legal guardian.

Children age 16 & 17 will be limited to two (2) guests if not accompanied by a parent or legal guardian.

In any event, guests may use the pool only in compliance with the Regulations contained herein and only when such use does not interfere with the safe, quiet and peaceful use of the pool by other members.

The Board and Committee reserve the right to limit guests as pool demand increases. As an example: You may wish to have twelve (12) or more guests attend an "organized event" such as a birthday party. Such event must be requested, in writing (using the Villages of Leacroft HOA Pool Event-Party Agreement) and submitted to the Committee two (2) calendar weeks prior to the event. When prior approval is obtained, it is with the understanding that at no time should your party attendees exceed thirty (30) persons in the pool area. And, it is understood, as stated prior, that other community members will always have pool access. Therefore, as member pool demand increases, the number of guests actually permitted may be restricted to less than that which was approved in the Party Agreement. You are further responsible for attendee conduct and pool and pool area upkeep and for the cost of an additional lifeguard during your party as required by the pool management firm's contract. Additional lifeguard hours will be charged to the Leacroft Homeowner party sponsor at a rate of \$20.00 per hour plus a \$25.00 administrative fee per event.

7. POOL EQUIPMENT PRESERVATION

Under no circumstances is any person to play with cleaning equipment, life ring, or other apparatus. Pool furniture may not be removed from the pool area at any time. Pool furniture may not be placed in the pool. Each member is responsible for the actions of their family and guests and will be charged for any damaged property. No unauthorized persons will be allowed in the filter room at any time. Under no circumstances are the drain lids to be removed from the bottom of the pool or pool deck. The cost of any property damage due to negligence or abuse will be charged to the responsible member.

Members and guest(s) agree to release, indemnify and hold harmless the Leacroft HOA and its Board from any and all liabilities and actions whatsoever by any member or guest created by the use of the swimming pool and pool area.

8. PERSONAL PROPERTY

All sound generating devices, including but not limited to radios, televisions, CD players and MP3 players, and mobile devices, are permitted at a reasonable volume so as to not disturb other pool users. Persons deemed by pool personnel to not be extending this courtesy will be directed to reduce their noise level **or** cease the use of the device(s) **or** leave the pool area.

No running, horseplay, splashing and/or boisterous conduct or inappropriate language shall be permitted in or around the pool area.

Failure to comply may result in the expulsion of the offending member or guest for up to two days on the first offense, one week for the second offense, and the entire pool season for a third offense.

Enforcement may include suspension of all pool privileges for the offending Leacroft Homeowner family and guest, as described above. The failure by any Leacroft HOA member, including any Board or Common Area Committee Member, to enforce these Regulations shall not be construed in any manner as a waiver of all or part of such Regulations. The requirements set forth in these Regulations may only be waived in writing by the Board.

15. POSTED REGULATIONS

All Leacroft HOA members and guests are also subject to any and all rules and warnings posted in and around the pool area.

16. AMENDMENTS
